

CORPORATE MEMBERSHIP FAQs

YMCA CORPORATE MEMBERSHIP

Your employer is a corporate partner of the YMCA. This partnership allows you and your family to join the YMCA at a special corporate membership rate of **10% off the monthly membership fee, and pay no join fee**. The corporate rate is good at 50+ YMCA locations where you can join and use all of the locations. **See the Corporate Membership flyer for more information on locations.**

Corporate Membership Questions

How do I take advantage of the Corporate Rate?

The Corporate Membership is available to all employees and eligible pensioners. To activate the corporate membership rate bring in proof of state employment or pension status (ID badge, pay stub or pension check) to any eligible YMCA membership desk. The membership staff will adjust your monthly rate and enroll you with no joiner fee. The employee must initiate the membership in person; corporate memberships are not available online.

What kind of memberships can the corporate rate be applied to?

Corporate rates can be applied to adult, 2 adults, 2 adult + children, and single parent family memberships. Corporate membership apply to those up to age 64. It is not valid for the senior and youth only memberships as they are already set at a modified rate. Only one price adjustment applies to any membership.

Is this corporate rate good at all YMCA's?

The corporate rate is good at all 50+ YMCA locations listed on the corporate membership flyer. YMCA members have access to nationwide membership, which allows full facility members to visit any participating Y in the United States. Other fees and restrictions may apply by location. **See the corporate membership flyer for more information on locations.**

Can I use the new Middletown Family YMCA location?

The corporate rate cannot be applied to the Middletown Family YMCA location ONLY. The monthly rates for that facility are already at a reduced price point. But, if you have upgraded to the full facility YMCA membership you can use all of the YMCA branches. All those who are members at other YMCA branches do have access to the Middletown location.

What will my membership rate be?

Standard membership pricing can be found on each YMCA's website. Corporate members will get 10% off, and pay no join fee. You must join in person at the YMCA to take advantage of the corporate membership rate.

What if I am already a Y member and want to join the corporate membership?

If you are already a member, you can still take advantage of the corporate membership rate by converting your current membership. Bring your ID, payroll stub or pension check to the membership desk to have your monthly membership fee adjusted, beginning on your next deduction (membership fees will not be prorated for prior months). No refunds will be given for pass monthly membership or joiner fees.

Does the employee need to be on the membership in order to get the corporate rate?

Yes! The employee must be on the YMCA membership to take advantage of the corporate rate. The corporate rate is extended to include many membership types, which includes an employee's family. The employee must be present with his/her paystub (or badge) to initiate the membership.

What if I am 65 years of age or older?

Individuals who are 65 years of age get the best rate if they utilize the senior membership vs. the corporate rate option. Only one price adjustment applies to any membership, and the senior membership is the better option for this age group.

What are the facility hours?

Most branches have hours from 5am-10pm most days of the week. But, facility times do vary by branch. Please check the online website at www.ymcade.org.

How do I use a guest pass?

The 1 day guest pass, or 1-week guest pass, allows you to use one of the YMCA of Delaware branch locations listed on the back. The pass is good for an individual, couple or family visit.

If you have additional questions please reach out to your closest YMCA branch.
